

## **Pre-Kindergarten Information 2010-2011**

The **four-year-old** pre-kindergarten program being offered will use the **A Beka curriculum**. The lively academic program will give children an enjoyable educational foundation and a desire to learn more. Phonics, counting, number writing, letter formation, Bible activities and readiness skills will be part of the curriculum.

This class will be **limited to 20 children** who will be **four years old by July 31<sup>st</sup>** of the current school year and **have an interest in attending our five-year-old kindergarten program the following fall**. The children will meet **five days a week** and those who enroll should plan to attend for the entire school year, August through May.

The pre-kindergarten program provides activities that require sitting and attending for a 10-15 minute time period. To help you determine if your child is ready for this program, we have a parent questionnaire and a readiness assessment (DIAL – 3) available to assist with the screening process. We ask that the parent schedule a time for screening your child, which will take about thirty minutes. During the screening the parents will complete the questionnaire and interview with the school administrator.

The Pre-K program will cover academics and enrichment activities between 8:30 a.m. and 3:30 p.m. Child care will be available from 7:15 a.m. until 8:30 a.m. and from 3:30 p.m. until 5:30 p.m. each day that school is in session.
